Metricon Deck | Lavington Oval

The Lavington Panthers FNC have on offer corporate entertainment at the football for any situation, whether you're seeking to entertain guests, reward staff or simply watch the football in style.

The Metricon Deck features heating, options for TV, toilets and covered and uncovered areas all on top of the hill of Lavington Oval. There is no better place in town to watch Ovens & Murray Football.

We have three easy options available for hosting an event or party whilst watching the footy at Lavington Oval. Small adjustments can be made depending on your functions needs and group sizes.
